PROFILE

Software Developer and Apple Developer Academy graduate with experience building native iOS and macOS applications using Swift and SwiftUI. Skilled in designing user-focused experiences, integrating REST APIs, and implementing MVVM architecture. Experienced in both independent product development and collaborative team environments.

TECHNICAL SKILLS

Languages: Swift, JavaScript, Python

Apple Development: SwiftUI, MVVM, Combine, URLSession, REST APIs, AVFoundation, SwiftData, Core Data, CloudKit, UserDefaults

Web: HTML, CSS, React (Foundational)

Tools: Xcode, Git, GitHub

Additional: Networking Fundamentals, System Troubleshooting, Cybersecurity Fundamentals

EDUCATION

Apple Developer Academy | TUWAIQ

iOS Developer Program

Sudan University of Science and Technology

Bachelor of Information Technology (First Class Honours)

PROJECTS

Mutex - Interactive Music & Brain Visualization App

iOS Application | Solo Project

- Designed and developed a complete iOS application independently using Swift, SwiftUI, MVVM, Combine, AVFoundation, and Accelerate/vDSP.
- Built a real-time audio analysis pipeline to generate interactive brain-network visualizations synchronized with music playback.
- Improved accessibility through VoiceOver support and enhanced navigation.

Scene - AI-Powered Saudi Screenwriting Tool

macOS Application | Team Project

- Developed the user interface using Swift and SwiftUI.
 - Connected AI-generated content to frontend components using Combine and MVVM architecture.
 - Integrated UI components with a CloudKit-backed data layer while collaborating with a multidisciplinary team.
-

LANGUAGES

- Arabic - Native
 - English - Proficient
-

PROFESSIONAL DEVELOPMENT

McKinsey Forward Program

- Completed a professional development program focused on structured problem solving, communication, collaboration, adaptability, and digital productivity.

VOLUNTEER EXPERIENCE

IEEE SUSTech Student Branch - Technical Support Volunteer

Khartoum, Sudan

- Provided technical support and troubleshooting for student activities and events.
- Recognized as Volunteer of the Month during all months of service.
